Subject: seeking permission to efile in case transferred to the NH federal court

Dear Dan and Ed,

I am reaching out to you because I need to file a motion for permission for basic efilng access, for our case transferred to the NH federal court. Evidently, the permission granted for efilng access that was granted in MA federal court did not carry over to the NH federal court and my having efilng access is not automatic. Therefore, I have been told that I need to re-file that motion again in NH federal court.

The clerk has asked me to get your assent so as to expedite the request for efilng access.

Do you have any problem with that?

-Andre
